

ANNUAL GENERAL MEETING & PRESENTATIONS on Our Urban Landscape and Launch of SRA+ App for residents

Time and Date: 6:30pm, Monday 1st September
Venue: St John's Southgate, 20 City Rd, Southbank

Our AGM is open to the public so come along and hear:

- Dr Yazid Ninsalam, Associate Dean and Head of Landscape Architecture at RMIT School of Architecture and Urban Design. *"A landscape-led approach in rethinking the precinct can demonstrate how public space, ecology and climate resilience are not peripheral, but fundamental to the city's structure and identity. By integrating green infrastructure with flood management, biodiversity corridors and inclusive public realms, the landscape becomes a vital framework for urban life – cooling the city, fostering community and restoring ecological systems."* Check our website for more of his ideas on improving Melbourne.
- Lord Mayor, Cr Nicholas Reece, and Cr Andrew Rowse **launch the app** which will offer hundreds of benefits to local residents.

Nina Taylor, MP for Albert Park, will also be in attendance.

Would you like to be more involved in your local community? Are you interested in volunteering?

We are always keen to hear from Southbank residents who want to know more about membership or are interested in giving back to the community by joining our friendly group of volunteers on the SRA Committee.
