

Southbank

Residents Association

Annual General Meeting

Our AGM is open to the public so come along and hear:

1. Our Urban Landscape

Dr Yazid Ninsalam, Associate Dean and Head of Landscape Architecture at RMIT School of Architecture and Urban Design. Check our website for more of his ideas on improving Melbourne

“A landscape-led approach in rethinking the precinct can demonstrate how public space, ecology and climate resilience are not peripheral, but fundamental to the city’s structure and identity. By integrating green infrastructure with flood management, biodiversity corridors and inclusive public realms, the landscape becomes a vital framework for urban life – cooling the city, fostering community and restoring ecological systems.”

2. Launch of App for Southbank Residents

Lord Mayor, Cr Nicholas Reece, and Cr Andrew Rowse launch the SRA+ app which will offer hundreds of benefits to local residents.

Date: Monday, 1st September – 6.30pm

Venue: St John’s Southgate, 20 City Road, Southbank
